Product description

Heating element for:
Harvia HGX60
Harvia HGS60

We sell sauna heaters of only the highest quality, exclusively from European manufacturers. Our range does not include Chinese heaters with characteristic flattening at their bends. Manufacturers such as Backer OBR or Loyal belong to a group of heater manufacturers producing for Narvi, Helo, Tylo, Harvia. All offered heaters are available immediately. We have an interesting pricing offer for hotels, resorts, spas, and service providers!

This product has additional options:

Power (W): 1900
Feature: Water heating
